

Harrington Public Development Authority
Special Information Meeting
Minutes
Sept. 21, 2015

An informational meeting of the Harrington Public Development Authority met at the Studebaker Garage at 7:00pm on Sept.21, 2015 to keep the group informed on the up-coming Peter Davenport UFO benefit program at 7:00pm on October 30, 2015.

Paul Charlton will talk with Karen Robertson about designing a flyer to send to the 99134 zip code for \$43.00 through the Post Office. The PDA will be responsible for the refreshments and water. Jay will check on the rent and insurance for the Opera House. Hopefully they will sponsor the event and we will avoid rent and insurance.

AFFORDABLE BROADBAND

After meeting with Spectrum (Bob Iverson) the cost to provide drops that would make high speed internet available to the business district would cost approximately \$13,000.00 and Spectrum on Line would cover the 25% and the grant we would be applying for would allow 75%. The grant proposal will be submitted to the City council on October 14 and then to the Lincoln County EDC on October 15, 2015 for review and hopefully selection. The proposed wireless system would go from the City Hall to the Studebaker Garage and then hard wire to the rest of the business district connections. Businesses could connect for 10 Mbsp up and down for \$39.50 and 20 up and down for 59.95. This grant proposal will be shared with the City Council before submitted it to the Lincoln County Commissioners for consideration to award the PDA the \$13,000.00 we are requesting for this high speed broadband internet project.

A meeting was scheduled for October 6, 2015 at 7:30pm to complete details connected with the UFO Peter Show.

No business was conducted....information only.

Bunny Haugan, Secretary
