

Harrington Public Development Authority
Minutes
August 30, 2016

The Public Development Authority meeting was called to order on August 30, 2016 at 7:00pm at the City Hall by President Josh Steward. Those present were: Paul Charlton, Allen Barth, Jay Kane, Bunny Haugan, Heather Slack and Josh.

Minutes were accepted as presented. Treasurers report: \$10,259.68.

Allen Barth reported the high speed internet service in the business district is installed. The billing for this project was received from Spectrum Online but needs adjusting for the correct tax rate and the in-kind share from Spectrum Online.

The bill will be reviewed at the September meeting after Josh contacts Bob Iverson from Spectrum.

Allen said he would present a plan to promote this new internet service at the September meeting.

Empty buildings were discussed as well as how many of the building owners had subscribed to the internet service.

Availability of housing was discussed as there seems to be a need for rental housing.

The next meeting will be September 20, 2016.

There being no further business, the meeting was adjourned.
