Minutes
July 19, 2016

The July meeting of the Harrington Public Development Authority was called to order by President Josh Steward at 7:00pm on July 19, 2016 at the City Hall. Those present were: Josh Steward, Paul Charlton, Allen Barth, Jay Kane, Heather Slack, Paul Gilliland and Bunny Haugan.

Minutes of the June meeting were reviewed and approved.

The treasurer's report showed a balance of \$10,259.68 in the account at U.S. Bank.

President Josh reported the Annual Report for 2015 has been filed with the State Auditor. A copy is available at City Hall.

The grant project for Spectrum Online Services to install high speed internet in the business district is still in progress. Hook-ups are available at each business building on Third Street between Glover and Sherlock. The PDA is anxious to get this project finished and connected as soon as possible.

Allen Barth will submit the quarterly report on the status of the grant money to the County Commissioners and the EDC. At this date no money has been paid to Spectrum Online.

Mr. Gilliland had questions regarding the internet system being installed and how it was crossing Third Street as he wants service at his building at 12 S. Third Street. His questions were answered as best we could. He was informed that if he contacted Bob Iverson at Spectrum they could further explain the system.

No further business was conducted and the meeting was adjourned. Next meeting will be August 16, 2016 at City Hall at 7:00pm.
