

Harrington Public Development Authority
Minutes
August 26, 2014

The meeting of the Harrington PDA was called to order at 7:04pm on August 26, 2014 by President Josh Steward.

There had been no response from Bob Iverson of Spectrum Online. He was going to rewrite the part of the contract that talked about "exclusive rights". The PDA feels Robert's internet service would be a positive community service for home base business.

Margie Hall contacted Pam Dietrich regarding cleaning at the Harrington Haus before the Fall Festival. Pam was okay with the offer. Margie had information on insurance for the workers and it was agreed that insurance was needed. Cleanup day set for Sept. 14th at 8:00am.

Jay Gossett looked at a couple of buildings in town but he has made no contact since.

Margie let the group know about the Workshop on Sept. 25th.

Next meeting is Sept.25,(?) 2014.

Bunny Haugan, Secretary
