

## **Harrington Public Development Authority**

### **Minutes**

**Sept. 20, 2017**

The September meeting of the Public Development Authority (PDA) was called to order by President Heather Slack at 8:00pm on September 20, 2017 at the City Hall. Those present were: Jill Plaskon, Jay Gossett, Paul Charlton, Tim Tipton, Dillon Haas, Heather Slack and Bunny Haugan.

The minutes were approved as presented.

The treasurers report : \$1,586.39 in the checking account.

Heather reminded those present that the Chamber would have an un-manned table with information on businesses at the Fall Festival. If anyone had brochures to display they need to get them to Tim.

#### **SIGN UPDATE**

Jay Gossett reported he had found a truck to incorporate into a sign, but had decided not to add another old vehicle to our current collection. He had come up with a new idea! He suggested a frame that would hold interchangeable stainless signs that would be printed with the event being promoted. He will bring more information to share later.

Tim Tipton told the group he had met with Josh Steward regarding a spot on Hills Road for the community sign that would not interfere with Josh maneuvering his farm equipment. This spot near the cemetery will be the place for the Chambers second sign.

#### **UFO PROGRAM**

Heather reported that October 28, 2017 was set for the UFO program. The PDA will work out details with the Opera House.

#### **OPERA HOUSE SQUARE UPDATE**

Questions about plans for the Opera House Square were discussed. Since we will be preparing the site for grass and a water supply, it was felt Spring would be a good time to start. Now would be the time to put together a general plan to determine what needs to be done and in what order. When to start and who would be willing to get involved would be a good topic for the Community Forum while several organizations are present to contribute their input. The Forum is scheduled for October 23, 2017 at 7:00pm at the Opera House Art Room.

There being no further business the meeting adjourned at 8:40pm. Next meeting will be Oct. 17, 2017.

Bunny Haugan, Secretary
