

**Harrington Public Development Authority
Minutes**

Sept. 30, 2014

The Public Development Authority meeting was called to order on Sept. 30, 2014 at 7:04pm at the City Hall by President Josh Steward. Present were: Bunny Haugan, Dillon Haas, Josh Steward and Jay Kane. The minutes were reviewed and approved.

Dillon reported positive comments on the Social Media workshop he attended in Davenport on Sept. 25, 2014.

Update on prospective buyer for the Harrington Haus. Contractors have been gathering information for estimates on repairs. Not sure what the status on purchase is at this time.

Josh checked on establishing a bank account. He wondered about contacting some business for “seed money” since the PDA has no funds to start an account. No action was taken.

Dillon and Steven Hardy have been checking out usable buildings and gathering ideas for possible ventures they could promote. In talking with alumni they felt there was interest from them in helping with grant writing or using talents or expertise they might have to contribute to the community for revitalization projects.

The EDC survey of wants and needs in Harrington was shared with Dillon.

A good discussion was had and we adjourned at 8:00pm.

Next meeting October 28, 2014 at 7:00pm
