

**Harrington Public Development Authority
Minutes
February 17, 2015**

In the absence of President Josh Steward, Allen Barth called the meeting of the Harrington Public Development Authority to order at 7:05pm on February 17, 2015 at the City Hall. Those present were: Allen Barth, Jay Kane, Paul Charlton, Bunny Haugan and Mark Stedman.

A motion by Jay Kane and second by Paul Charlton approved the minutes as presented. Motion carried.

OLD BUSINESS: NONE

NEW BUSINESS;

- 1) Think about a fund raiser program at the Opera House the end of October featuring Peter Davenport and a UFO presentation.
- 2) Mark Stedman had an update on the Landmark Apartments. He has tried to secure a key to the apartments so interested persons or organizations could look at the inside and determine the condition before a commitment to purchase can be made. USDA has the key but will only give it to a new recorded owner when there is one. Mr. Stedman has contacted Kathy McMorris Roger's office for help and hopefully her congressional assistance will push USDA to free up the key. Housing for veterans was mentioned as a possible use of the building.

The rest of the meeting was devoted to discussing housing and buildings on the main (Third Street) street available for use for prospective businesses as opposed to using them for storage only. Amy Foley is very interested in securing a store front on the main street to open a business.

There being no further business the meeting adjourned at 8:00pm.

Bunny Haugan, Secretary
